- ✓ 6 microwave power levels, and multiple settings, including defrost.
- ✓ 30 minute mechanical timer.
- ✓ Quick and easy to fit into your cab, with bespoke, vehicle specific fitting kits.
- ✓ Sleek gloss black exterior- looks stylish in every cab!

***TruckChef, the 24v microwave oven that fits almost any heavy vehicle perfectly. With a huge 20 litre capacity and 800w cooking output, it's like taking your microwave from home out on the road with you!***

TruckChef was created in 2013, filling a gap in the market after Samsung discontinued the RoadMate 24v microwave. Kuda saw an opportunity and seized it. Now, TruckChef is quickly becoming Europe's fastest selling 24v microwave.

TruckChef has been engineered to fit as many truck cabs as possible, which is achieved by bespoke, tailor made fitting kits that come with each microwave. Built from the ground up for use in vehicles, maximum power and cooking capacity is ensured.

Made right here in the UK, TruckChef is backed by a 3 year return to base warranty as standard. Our in-house technical team are here to respond quickly to any problems and queries you have regarding your microwave. Simply contact our team, who will arrange a collection to pick up the unit and manage your claim right up until its resolved. However- TruckChef's failure rate is practically non-existent!

With TruckChef, Kuda has achieved a product with not only fits the largest range of commercial vehicles out there, but- most importantly- is one enclosed unit, with no separate inverter taking up space. TruckChef has been launched right across Europe with a range of approved dealers supplying to thousands of customers. Currently, TruckChef has been approved in the UK by 3 major UK truck manufacturers.

All Measurements Are Of Microwave Unit Only

## Microwave To Suit DAF XD

**Part Number: TRUCKCHEFDAFXD**

Includes fitting kit for specified vehicle.

Fits in front centre locker

Fitting Kit: raised mounting legs

*Wiring loom not included- sold separately*

**Dimensions: Width- 530MM, Height- 260MM, Depth- 330MM**

## Microwave to suit DAF XF and XG (New Generation MY2021 onwards)

**Part Number: TRUCKCHEFDAFXG**

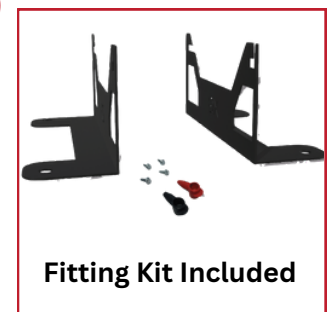

Includes fitting kit for specified vehicle.

Fits in front centre locker

Fitting Kit: raised mounting legs

*Wiring loom not included- sold separately*

**Dimensions: Width- 530MM, Height- 260MM, Depth- 330MM**

## Microwave to suit DAF XG+ (New Generation MY2021 onwards)

**Part Number: TRUCKCHEFDAFXD2**

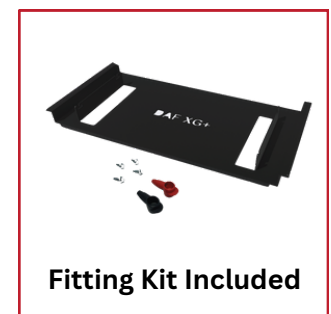

Includes fitting kit for specified vehicle.

Fits in front centre locker

Fitting Kit: raised mounting legs

*Wiring loom not included- sold separately*

**Dimensions: Width- 530MM, Height- 260MM, Depth- 330MM**

## Microwave To Suit DAF XF 105/106 Space Cab

**Part Number: TRUCKCHEFDAFXFSP**

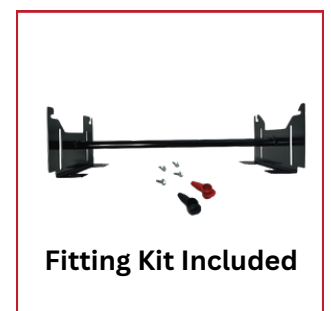

Includes fitting kit for specified vehicle.

Fits in front locker

Fitting Kit: cradle and 442

*Wiring loom not included- sold separately*

**Dimensions: Width- 450MM, Height- 260MM, Depth- 415MM**

## Specification Sheet

All Measurements Are Of Microwave Unit Only

### Microwave To Suit DAF XF 105/ 106 Super Space Cab

**Part Number: TRUCKCHEFDAFXF105SS**

Includes fitting kit for specified vehicle.

Fits in front locker

Fitting Kit: uni legs and 442

*Wiring loom not included- sold seperately*

**Dimensions: Width- 450MM, Height- 260MM, Depth- 415MM**

---

### Microwave to suit DAF CF Euro 5 / 6 (High Roof)

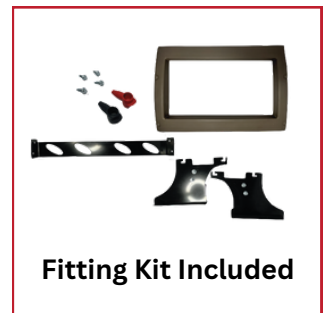

**Part Number: TRUCKCHEFDAFCF**

Includes fitting kit for specified vehicle.

Fits in front locker

Fitting Kit: raised mounting plate and fascia panel

*Wiring loom not included- sold seperately*

**Dimensions: Width- 450MM, Height- 260MM, Depth- 380MM**

---

# Specification Sheet

All Measurements Are Of Microwave Unit Only

## Microwave to suit MAN TG XLX Cab

**Part Number: TRUCKCHEFMANXLX**

Includes fitting kit for specified vehicle.

Fits in front locker

Fitting Kit: fascia panel, MAN legs and 442

*Wiring loom not included- sold seperately*

**Dimensions: Width- 450MM, Height- 260MM, Depth- 415MM**

## Microwave to suit MAN TG XXL Cab

**Part Number: TRUCKCHEFMANXXL**

Includes fitting kit for specified vehicle.

Fits in front locker

Fitting Kit: fascia panel, MAN legs and 442

*Wiring loom not included- sold seperately*

**Dimensions: Width- 450MM, Height- 260MM, Depth- 415MM**

## Microwave to suit MAN TG3, TGX GX Cab (2020 on, New Generation)

**Part Number: TRUCKCHEFMANGX**

Includes fitting kit for specified vehicle.

Fits in rear shelf behind passenger seat

Fitting Kit: shelf- does not fit with 2nd bunk.

*Wiring loom not included- sold seperately*

**Dimensions: Width- 450MM, Height- 260MM, Depth- 380MM**

## Specification Sheet

All Measurements Are Of Microwave Unit Only

### **Microwave to suit Mercedes Actros 4 / 5 (2012-) BigSpace Cab**

**Part Number: TRUCKCHEFMP4BIGSPACE**

Includes fitting kit for specified vehicle.

Fits in front centre locker with panel

Fitting Kit: fascia panel, BigSpace legs and 442

*Wiring loom not included- sold seperately*

**Dimensions: Width- 530MM, Height- 260MM, Depth- 330MM**

**Fitting Kit Included**

### **Microwave to suit Mercedes Actros 4 / 5 (2012-) GigaSpace Cab**

**Part Number: TRUCKCHEFMP4GIG**

Includes fitting kit for specified vehicle.

Fits in front locker

Fitting Kit: uni legs and 442

### **Microwave Battery Wiring Loom 10m**

**Part Number: MICROBATLOOM**

10m back to battery microwave wiring loom.

Designed to fit all TruckChef microwave models.

40amp in-line fuse included.

---

# Microwave Features Manual

## Please note - Instructions for Features, Controls and Cooking only

The control panel on the front of the microwave unit consists of two function operators. One is a timer and the other a power knob.

### Power Selector.

You use this knob to choose a cooking power level. It is the first step to start a cooking session.

### Timer Selector.

This knob offers visual timing settings. Just select the desired cooking time by turning the knob. Up to 30 minutes per cooking session.

### Microwave Cooking.

The TruckChef microwave offers six power levels from which to choose from. You can select and increase the power levels by turning the knob clockwise. The power levels can be classified as the following;

Power Input.	Description.
1. 100%	High 800w
2. 85%	M. High 600w
3. 66%	Medium 460w
4. 48%	M. Low 350w
5. 40%	Defrost
6. 17%	Low 120w

**Note - As soon as the timer is turned and the unit has power the oven will start cooking. When selecting times less than 2 minutes, turn the dial past 2 minutes and then back to the desired time. The timer should always be returned to the zero position after use. Check food is piping hot and cooked before consuming. The above power levels are only a guide and should in no way be used to alter any food / meal recommended cooking times.**

Side Mount Model

### Key Features

- 24v Input
- 800w Power
- 20 Litre Capacity
