

IMPORTANT

PRODUCT SAFETY INFORMATION

TreadSafe

Read the instruction manual carefully before using the catwalk.

Ensure that you understand all the safety precautions and warnings provided in the manual.

Ensure that the catwalk is properly installed and secured to prevent it from moving or falling during transit.

Check the mounting brackets, bolts, straps and hardware regularly to ensure they are secure.

Only use the catwalk for its intended purpose of providing access to the trailer or truck bed.

Do not use it for any other purpose.

Do not exceed the catwalk's specified weight capacity.

Overloading the catwalk can cause damage or make it unstable, resulting in accidents or injury.

Keep the catwalk and surrounding area clean and free from debris.

This can prevent slips and falls and ensure the catwalk operates efficiently.

Use the catwalk with appropriate footwear, such as sturdy work boots with good traction.

Avoid using high heels, sandals, or other unsuitable footwear

Use caution when using the catwalk in wet or slippery conditions.

Wet or icy surfaces can cause slips and falls.

Do not use the catwalk if it appears damaged or malfunctioning.

Contact the manufacturer immediately for assistance.

Do not attempt to repair or modify the catwalk yourself.

Only trained professionals should perform any repairs or modifications.

**In case of any emergency, such as a fall or injury,
immediately follow any emergency procedures and contact emergency services.**

Following these safety guidelines can help ensure safe and efficient use of this product.

Further information, RMI requests and service procedures can be requested from the manufacturer.
